"Training You Can Really Use"

Practical Leadership

Duration: 1 Day

Method: Instructor-Led Training (ILT) | Live Online Training

Course Description

In this course, participants will learn the practical skills you need to be an effective leader in your organization. Leadership enhances the skills employees at all levels need to be truly successful. When you learn practical leadership skills, you'll have the ability to motivate, coach, communicate with, and teach employees in such a way that they are more effective in their jobs and, as a result, you become more effective in your job.

Target Audience

This course is intended for:

- New managers
- Individual contributors

Prerequisites

To attend this course, candidates must have:

- Experience working in an organization as an individual contributor or possibly as a manager.

Course Objectives

Upon successful completion of this course, attendees will be able to:

- Transition from an individual contributor to a leader.
- Develop an effective team.
- Lead a team effectively.
- Increase your effectiveness in leading different types of teams.
- Develop a team mission, values statement, and vision to achieve business results.
