# ITIL® Managing Professional (MP) Transition

**Duration: 5 Days**

**Method: Instructor-Led Training (ILT) | Live Online Training**

---

**Certification:** *ITIL 4 Managing Professional* —  
**Exam:** *ITIL® 4 Managing Professional (ITIL 4 MP)*

---

## Course Description

This course is designed for participants who have already invested in ITIL v3 and provides a straight-forward transition path across to ITIL v4. They will be recognised their previous achievements while still gaining the up-to-date skills and knowledge needed to navigate the digital service economy. The course provides participants with a deeper understanding of the key concepts of the Service Value System (SVS) which enables successful management of modern IT-enabled services. It also prepares delegates for the certification exam. The course is based on the ITIL 4 SVS featured in the latest 2019 guidelines.

## Target Audience

This course is intended for:

- IT Leaders
- ITIL Practitioners
- ITIL-Expert Support Staff.

## Prerequisites

To attend this course, candidates must have:

- the *ITIL v3 Expert* designation **OR** Minimum of 17 credits from the *ITIL v3 scheme* **OR** *ITIL 4 Foundation* and 15 credits from the *ITIL v3 scheme*.
